

April, 2021

Dear Woodfield Homeowners,

Happy Spring!! It is great to see the trees and flowers bud and the golf course come back to life.

We would love our homeowners to get more involved in our Home Owners Association. If you are willing, please consider volunteering for a board position or serving on a committee. Currently we need homeowners to:

- Monitor and report outages of any streetlights in our Woodfield Community.
- Manage Fire Hydrant Markers – they will need to be taken down and stored for the summer then put back up again in the Fall.
- Organize spring neighborhood cleanup
- Organize neighborhood social activities
- Organize a neighborhood garage sale (individual garage sales are not allowed in Woodfield 1)

Please contact Joanie Towarnicky, info@woodfieldhomeowners.com , if you are willing to take on any of these tasks.

It's a great day in Woodfield -
