

May, 2019

Dear Woodfield Homeowners,

Happy Spring!! Are you feeling the energy of our warmer weather and sunny skies?!

A special shout out to the Genesee County Road Commission for patching the potholes in our neighborhood, especially the big ones at the front of the neighborhood.

We are looking for several homeowners to volunteer for our association. Please consider a board position or serving on a committee. Currently we need homeowners to:

- Monitor and report outages of any streetlights in our Woodfield Community.
- Manage Fire Hydrant Markers – in the spring they need to be taken down and stored for the summer then put back up again in the fall. This is an easy job!!
- Organize spring neighborhood cleanup
- Organize neighborhood social activities

In an effort to maintain the village feel of our neighborhood, we would like to remind our homeowners of 2 of our bylaws:

- Please use our approved color pallet when painting your home's exterior. <https://www.sherwin-williams.com/homeowners/exterior-color-schemes/americas-heritage>
- Please do not place trash at your curb before 7:00pm the evening before trash pick up.

Please contact Joanie Towarnicky, info@woodfieldhomeowners.com , if you are willing to take on any of these tasks.

It's a great day in Woodfield -

Joanie Towarnicky

Please take a look at our updated website www.woodfieldhomeowners.com/ and join nextdoor.com to stay connected.

Announcements

- Compost pick-up has begun. Please see the 2019 Emterra Collection Schedule for Grand Blanc Township.
<http://www.emterrausa.com/sites/default/files/pdf/collection-schedules/Grand-Blanc-Township-2019-Collection-Schedule.pdf>
- If you have old prescription bottles and tubes you would like to dispose of properly, please see this link to find drop off locations
http://gcmpc.org/wp-content/uploads/pdf/Prescription_Drop_Locations.pdf
- If you would like to report a pot hole please email or call the Genesee County Road Commission at:
pothole@gcrc.org 810-767-4920
- Click here for Grand Blanc Township questions.
<http://www.twp.grand-blanc.mi.us>
- It is important to keep the catch basin in front of your house clear for drainage. This will help to avoid flooding in the streets.

Each homeowner is responsible to keep this clean.

- Drive carefully and PLEASE observe the speed limit, 25 mph.
- Large items to dispose? Call Emterra at 877-609-6753.
- If you see any suspicious activity or vandals doing damage to a homeowner's property, please call and report to the police immediately. 810-424-2611.
- Have some community news to share? Please email us. Joanie Towarnicky, info@woodfieldhomeowners.com
